

## **BROW, LIP & EYELINER COSMETIC TATTOO**

\*\*\*\*\*

*Live Webinar + Demo Videos + Practical Training*  
**Master Judy Nguyen**

This course is designed for semi-permanent make up artists who have been trained with machine technique. The purpose of this training is to keep you up to date with the latest powder brow techniques, point out and fix your common mistake, upgrade your skills towards working more efficiently and controlling the heal result. You will learn all about how to create different eyebrow, lip and eyeliner styles to suit your clients. In this masterclass, you will also learn colour correction to fix old tattoos that turn red/purple/blue. To join this class you need to have hand-on experience and send us your work portfolio.

You will learn theory and practice to create:

- 3 styles of brows: powder brows, ombre brows & combination brows
- 2 styles of tinted lips: full lips & ombre lips
- 2 styles of eyeliners: classic & stardust eyeliners

The shading techniques by Judy allow to implant a high concentrated pigment into your skin with an outstanding result:

- ✓ Transparently
- ✓ Superficially
- ✓ Very natural shape
- ✓ Very natural colour
- ✓ Without significant trauma

**Powder Brows**

## *Learn from the best!!!*

With working experience in thousands of customers of different skin types, Master Judy Nguyen has a lot of secrets to share. She has trained many top

semi-permanent artists around New Zealand and Australia. Her techniques have been proven to generate beautiful healing results while being gentle to the client's skin and effective for the technician. Please check out all her work in her social media accounts.

# Course Structure

- ✿ **Live training session: theory training**
- ✿ **Google classroom: communication & support**
- ✿ **Practical workshop: live model practice**

## Live webinar (Skype 9am - 12pm)

Theory training is delivered in the live webinar via Skype. We will arrange a date and time and let you know prior to the training. You will learn:

- In-depth client consultation
- Hygiene and workplace set up
- Machine, needles and how they work
- Brow/lip/eyeliner shape designing for the best aesthetic look
- Advanced colour theory: how to choose the correct pigment for customers of different races and skin colours and how to mix colours to get the desired one
- Advanced colour correction: How to correct existing tattoo colours
- Cosmetic tattoo techniques to avoid using anaesthetic & pain management
- Before and after care to achieve the best healing result
- Factors influencing the possibilities of the colour retention
- Home-works, questions and answers

## Google classroom

This is an online platform for communication between the trainer and students. There will be home-works for student to complete before and after the practical workshop. Student must practise at home according to instruction and submit your home-works in Google classroom. Judy will fix your works and answer your questions via communication in Google classroom.

Google classroom is also a platform to share knowledge and for the trainer's support after the training. Student can get back to Judy with any questions after the training within the time of support.

Please note: computer or smart phone and internet access are needed to join these online platforms.

## **Practical workshop (4 full days 9:30 am - 5 pm)**

Day 1: Theory review & practising on latex

Day 2,3,4: practise on live models

## **Graduation process**

1. Student will receive a Certificate of Attendance upon finishing the workshop training (not applied for online students)
  2. After the practical workshop (or after the Skype session for online students), student will commence online learning via Google Classroom.
- Student is obliged to complete and pass tasks/assignments assigned/instructed by Master in order to receive Certificate of Achievement. An average of 60 mark is required to graduate.
  - Master will mark your works within 48 hours (excluding weekends, public holiday, sick leaves, etc.)
