

FABULASH BROWS

## EYEBROW & LIP COSMETIC TATOO

Live Webinar + Demo Video + Practical Day

**Master Judy Nguyen**

\*\*\*\*\*

This course is designed for beginners who have little or no experience in Permanent Make Up, who would like to join the beauty industry or come back after a long break without practice. It is best for those who haven't had machine training or not been actively tattooing and not confident with their skills. You will learn theory and practice of eyebrow & lip cosmetic tattoo and how to apply these to create:

- 2 styles of brows: powder brows & ombre brows
- 2 styles of tinted lips: full lips & ombre lips

Powder brow & tinted lip tattoo by Judy Nguyen contains the new techniques that allow implanting a high concentrated pigment into your skin:

- ✓ Transparently
- ✓ Superficially
- ✓ Very natural shape
- ✓ Very natural colour
- ✓ Without significant trauma

**Bold Powder Brows**

## *Learn from the best!!!*

With working experience in thousands of customers of different skin types, Master Judy Nguyen has a lot of secrets to share in brow and lip tattoo. She has trained many top semi-permanent artists around New Zealand and Australia. Her focus is achieving the best-healed result.

Please follow her social media accounts below to see her amazing works:

# Course Structure

- ✿ **Live training session: theory training**
- ✿ **Google classroom: communication & support**
- ✿ **Practical workshop: live model practice**

## 1. Live webinar (Skype 9am - 12pm)

Theory training is delivered in the live webinar via Skype. We will arrange a date and time and let you know prior to the training. You will learn:

- 👉 In-depth client consultation
- 👉 Hygiene and workplace set up
- 👉 Machine, needles and how they work
- 👉 Eyebrow & lip shape design for the best aesthetic look
- 👉 Colour theory: how to choose the correct pigment for customers of different races and skin colours and how to mix colours to get the desired one
- 👉 Colour correction: How to correct existing tattoo colours
- 👉 Powder brow & lip tint techniques
- 👉 Before & after care to achieve the best healing result
- 👉 Factors influencing the possibilities of the colour retention
- 👉 Experience sharing, tips & tricks
- 👉 Home-works, questions and answers

## 2. Google classroom

This is an online platform for communication between the trainer and students. There will be home-works for student to complete before and after the practical workshop. Student must practise at home according to instruction and submit your home-works in Google classroom. Judy will fix your works and answer your questions via communication in Google classroom.

Google classroom is also a platform to share knowledge and for the trainer's support after the training. Student can get back to Judy with any questions after the training within the time of support.

Please note: computer or smart phone and internet access are needed to join these online platforms.

### **3. Practical workshop (4 full days 9:30 am - 5 pm)**

*Day 1: Theory review & practising on latex*

*Day 2: practising on live models*

*Day 3: practising on live models*

*Day 4: practising on live models*

## **Graduation process**

1. Students will receive a Certificate of Attendance upon finishing the workshop training (not applied for online students)
  2. After the practical workshop (or after the Skype session for online students), students will commence online learning via Google Classroom.
- Students are obliged to complete and pass tasks/assignments assigned/instructed by Master in order to receive Certificate of Achievement. An average of 60 mark is required to graduate.
  - Master will mark your work within 48 hours (excluding weekends, public holiday, sick leaves, etc.)
